

# 101<sup>ST</sup> ADULT DENTISTRY

**101<sup>st</sup> Adult Dentistry now offers** a Dental Membership Program to provide a helpful solution for those who do not currently have dental benefits or feel that their current benefits are insufficient. This plan provides an affordable, hassle-free way for you and your family to receive the dental care you need. Dental treatment costs add up, especially if you or your family members miss your periodic dental check-ups, which is why our membership plan includes 2 free dental exams per year. We want you to take care of your teeth in order to achieve a healthy and long-lasting smile.

## **Features of the Membership Program include:**

- Significantly reduced dental fees
- No annual maximum limits
- No waiting periods
- Not valid with existing dental benefits
- Initial enrollment fee includes: Comprehensive exam and all necessary x-rays(Panorex, bitewing, PA)-*approximate savings of 70% for the cost of these services*

Initial Enrollment fee: \$75

Membership fee: \$225(to be paid prior to the initiation of all other services)

**or**

Payments can be set-up on a 12 month basis (with credit card authorization on file) for \$20 per month **(first and last month's payment due at time of enrollment)**

Membership includes:

15% off all dental services

2 periodic exams

1 set (4) bitewing x-rays

2 basic cleanings (periodontal maintenance cleanings not included)

- Membership effective on the initial enrollment date and will expire unless renewed 1 year from that date
- No renewals fees if membership renewed prior to expiration date
- Renewal fee of \$50 will be charged for memberships after termination date

***See front office for additional details and to get enrolled!!***
